REMITTANCES IN TRANSIT.

To—The Deputy Commissioners, Circular No. 1608, *dated 9th December* 1884.

To obviate misapprehension on the part of District Treasury officers the Comptroller has the honor to request that remittances in transit on the last day of a month may invariably be shown in the cash balance report of the District Treasury by which the remittance is despatched to another District, and so also a remittance from a Taluk Sub-Treasury to the District Treasury or from the latter to the former should be entered in the cash balance report of the District in the place provided for "Remittances in Transit." When notes are remitted, they should be exhibited as in transit when the first halves are despatched, if acknowledgment of arrival is not received on the 1st of the month. Due regard must be had to the dates of despatch with reference to the time usually occupied in transit whether of specie or notes.
